

Linthwaite **LEADBOILERS** Festival

April 2022

IMPORTANT NOTICE - THIS AFFECTS YOUR PROPERTY on Sat 2nd July 2022

Dear Resident,

Now in its third year, we are once again hosting the Leadboilers Festival on Linthwaite Green, which is next to, or near to your home. As in previous years before the pandemic, the festival is seeking to foster a positive community spirit and to celebrate all things Linthwaite, reaching out to our community. The Festival involves Linthwaite schools, Linthwaite community groups and seeks to raise donations of food for the Welcome Centre Foodbank. We work with Kirklees Council, West Yorkshire Police and other authorities to deliver a family safe event in Linthwaite. There is a video of the 2019 event at www.leadboilers.com if you would like to learn more about it.

We are a volunteer community group working for the benefit of the Linthwaite area, with the aim of enhancing Linthwaite as a great and desirable place to live. The Festival seeks to break-even, cover its costs and is free for all to attend. The Leadboilers Festival and use of the Green in this way was considered a success by many local residents previously and we do hope that we can count on your support to make the 2022 event a success too.

As in previous years, road closures shall be in place between the hours of 9:00am and 11:00pm on Saturday 2nd July. During this time there are restricted vehicle movements permitted on Royd House Lane.

We recognise that this may cause you some concern or inconvenience and we want to make sure we can work with you to minimise disruption to you and your home.

If you have concerns about parking or deliveries on that day - or even moving house, **please talk to us first**, before taking to digital social media. It is likely we can work with you to find a solution to any concerns you may have, but it is best for everyone if we are aware of them well in advance of the day itself.
